March 2010

Birmingham District Dental Society

1801 9th Avenue South, Birmingham, AL 35205

E-Mail: Birminghamdds@bellsouth.net Tel: (205) 933-1718

DATE: March 2, 2010

PLACE: The Summit Club

TIMES: Hospitality Hour 5:30

Risk Management Seminar 5:30

Dinner and Program: 6:30

SPEAKER: Robert D. Robinson, M.D.

TOPIC: "Diagnosis and Treatment of Trigeminal Neuralgia"

Dr. Robinson is in practice with Brookwood Neurosurgery and Spine/Norwood Clinic. He attended Colorado State University, graduating *cum laude* in 1989. After receiving his M.D. from the University of Colorado Health Sciences Center School of Medicine at Denver in 1993, he came to Birmingham to do his neurosurgery residency at University Hospital and general surgery internship at UAB. Among his honors are acing the Neurology Board Exam of 1998 with the top national score and being selected for best Doctors in America last year. Health Grades ranks him as a five-star doctor. Dr. Robinson treats trigeminal neuralgia with both medication and cyber knife surgery. He will detail the differential diagnosis and treatment protocol for this debilitating and problematic disease and describe the various methods he uses. He welcomes any current or previous patient history synopsis for open discussion by the group.

The Summit Club is located downtown at 1901 Sixth Avenue North. Take Sixth Avenue North and turn left down into the Regions-Harbert Parking Garage. From there, take the elevator to the first floor and then the other elevator to the 31st floor. Our menu will include Caesar salad, grilled salmon with tomato caper relish, chef's vegetables, dinner rolls, and praline cheesecake. Please return your check by Thursday before the meeting. Or give us a call at 933-1718 if you can't get it in the mail.

Advance Reservations: \$40.

Tickets at the Door: \$42.

PLEASE WELCOME Dr. Clark Dunn, new member, whose clinic is in the Shops on Montevallo.

PRESIDENT'S MESSAGE

As the last days of our cold winter close behind us, I'm looking forward to my favorite season. Spring is about new beginnings. My wish for our profession is that the discord we've seen over the last few years become less personal and more productive. Change is a constant in dentistry. We have to change professionally to meet the demands of new clinical techniques, materials and market forces.

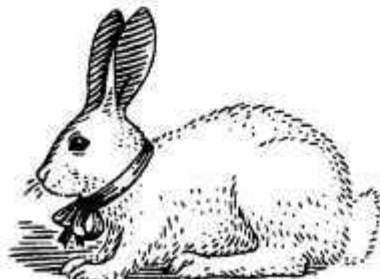

I have a hard time understanding the anger many of our colleagues feel toward our association. Earlier this year, I mentioned the E-mails that fly around our state that are counterproductive to reasoned debate and discussion. It seems to me that it serves only to polarize our community. Maybe that is the goal. I've seen associations cease to be vibrant and responsive when their members start to divide into factions that don't share common goals. In history, we've seen this many times, often with disastrous results for nations and their citizens. It's called Balkanization. After World War I, the Ottoman Empire was divided into many ethnically diverse populations. This division haunts us even today internationally and has been the root cause for World War II, the Serbo-Croatian conflict, and many Middle East wars that continue today. Fragmentation has produced upheavals that have produced change, but at what cost?

Division dilutes us as an association at a time when we need to be presenting a common front to governmental forces and the insurance industry. If you work to strengthen our association, I applaud you. If you are dissatisfied, then help us form a solution that would be beneficial to the District and State Associations. It's easy to complain but harder to take the time to help. If you have an idea that would be helpful to our Association, pick up a telephone and call me or any member of our Executive Council. I can assure you, we work hard to make our District meaningful, relevant and professional.

Cheers,
Roy

DENTAL HYGIENE STUDY CLUB

Members will hear Dr. Phillip Vassilopoulos speak on "Management of Gingival Recession" at their March 8 meeting in Volker Hall at 6 p.m. Contact Becky Walters at 823-5554 for more info.

GIVE KIDS A SMILE!

Dear Members,

I want to give you an update on our progress with Give Kids A Smile! 2010. We are doing well! Our members are stepping forward and helping out as I fully expected. Dr. Teri Chafin of the Jefferson County Health Department has arranged for 70 children to be seen in a one-day event by dentists at one of her clinics on Feb. 22. We have had member dentists volunteer to see an additional 50 children so far. I think that is great progress for the first week of February! I will continue to solicit volunteers by E-mail each week in February.

In working with the Give Kids A Smile! project this year, Dr. Barry Godspeed, one of our volunteers, posed an excellent question. How could we encourage GKAS participant families to apply for All Kids or Medicaid insurance and how could we make this process easier for them? I passed this question along to Beth Johns of the United Way Success by Six program. Mrs. Johns, who is director of Early Childhood Initiatives for UWCA, suggests that "No children in Alabama should be without health insurance" and that "if a family does not have insurance, they should go to www.adph.org/allkids and fill out the application for All Kids, Medicaid and the Alabama Child Caring Foundation." Or she suggests that the family call 1-888-373-KIDS. I would appreciate it if you would pass the information along to any families you come in contact with through your work, school or church as a means of insuring their children.

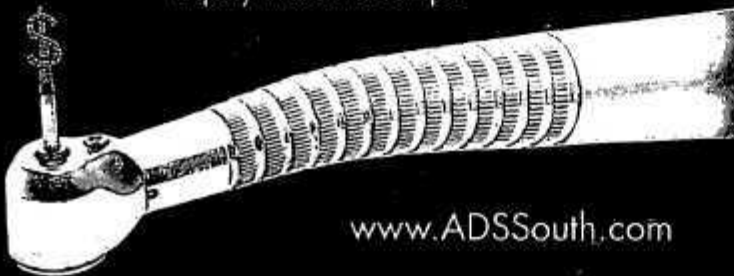

Sincerely,

Angel Rohner, DMD

Practice Transitions Made Perfect™

NOMINATING COMMITTEE TO REPORT at our March meeting. Elected last month were Drs. James L. Sanderson, chairman; Elizabeth Jackson, Melissa Nix, Debbie Sema, Justin Zellmer, Adolphus Jackson and Bruce Spink. If you would like to suggest someone for an office, please contact Dr. Sanderson at 979-6005 or drs@sandentistry.com.

OUR PRESIDENT, Dr. Roy Smith, would like for us to contribute items for Veterans' Hospital patients each month at our meeting. Needed are toothbrushes, floss, mouthwash, combs, playing cards, shave cream, disposable razors, ball point pens, note pads and playing cards. Mr. George Raburn, formerly with Mutual Assurance, is spearheading this drive and has asked for dentists to help our veterans. Please bring donations to our March meeting.

M-POWER MINISTRIES will sponsor its annual Sing&Shout free Sunday March 7 at 5 p.m. featuring a mass choir including

Colla Voce, Riverchase UMC Choir, and UAB Gospel Choir at the Alys Stephens Center. Donations will be accepted for their ministry which includes an extraction clinic twice a month.

RISK MANAGEMENT SEMINAR -- Karen Everitt, R.N., J.D. regional vice president of risk management services for ProAssurance, will speak to those who are insured by the company prior to our March 2 meeting at The Summit Club. This gives everyone who attends a 10 percent discount. The session will get underway at 5:30 and last about 45 minutes.

LITTLE SHADES CREEK PARK will soon be known as McCallum Park in honor of Dr. Charles "Scotty" McCallum, who served as mayor of Vestavia Hills from 2000 to 2008. Dr. McCallum was recognized recently at a City Council meeting for expanding the city's green space by more than 300 acres, including acquiring the 34-acre Little Shades Creek Park during his tenure.

e.max CAD LT

all ceramic all you need

All You Need For Esthetics and Strength.

\$99⁰⁰ per unit

shaded technique

\$161⁰⁰ per unit

layered technique

IPS e.max® CAD LT is a lithium silicate glass-ceramic uniquely designed for the manufacturing of one-piece, full contour metal-free restorations. It is manufactured with an innovative process, resulting in the exceptional homogeneity of the material. IPS e.max® CAD LT demonstrates the benefits of all-ceramic restorations with the added flexibility to be adhesively bonded or cemented. IPS e.max® CAD LT can be fabricated on either chamfer or shoulder tooth preparations. Because IPS e.max® CAD LT is not layered with porcelain, there is less risk of porcelain fracture, relative to other glass ceramic materials.

Benefits

- Highly esthetic one-piece restorations.
- Indicated for single unit posterior restorations
- Chamfer or shoulder preparation
- Cementable or bondable
